

British Airways' extensive flight network means you can connect to hundreds of worldwide destinations. All you have to choose is which cabin to fly in.

FIRST - British Airways' highest standards, on the ground and in the air.

- Personal "demi cabin" space creates an exclusive, private environment
- Enhanced seat converts to a 6'6" fully flat bed at the touch of a button
- Fold-down companion seat, so you can dine or chat with a fellow FIRST passenger
- A la Carte dining with menus created by internationally acclaimed chefs
- Complimentary bar service featuring the finest wines and champagnes
- Personal video player with a choice of 25 movies from the onboard library, plus 18 channels of TV, music and entertainment
- Access to departures* and arrivals* lounges, including the Molton Brown Travel Spa at London Heathrow
- Dedicated FIRST check-in desks and a choice of check-in options

*Dedicated FIRST departure lounges available at selected airports. Arrivals lounges available at London Heathrow, London Gatwick and Johannesburg airports.

FIRST
